

AGC's 2006-2007 Executive Board Members

HARRY L. MASHBURN
President, AGC of America—2006
CEO, Mashburn Construction Co.,
Columbia S.C.

Mashburn Construction Co. has been providing preconstruction and construction services with integrity since 1976. It has been an active member of AGC of America since 1977. Harry Mashburn served as chair of the Building Division in 1999 and has chaired the Construction Marketing and the AIA-AGC Joint committees. He has been an active member of many other committees, including the Contractor Relations, Open Shop, Public Relations, Contract Documents, Ethics, Rules, Membership Administrative and Project Delivery committees. As AGC's president, he is an ex-officio member of all AGC committees.

STEVE L. MASSIE
Senior V.P., AGC of America—2006
CEO, Jack L. Massie Contractor
Inc., Williamsburg, Va.

Jack L. Massie Contractor Inc. is a family-owned and operated highway, site and utility construction company that has been in business since 1947 and an active AGC of America member since 1985. Steve Massie served as chair of the Highway & Transportation Division in 1997. He has also been an active member of many other committees, including the Human Resources Practices, Environmental Resources, Workforce Development, Legislative Action, Asphalt Pavement, Sitework & Grading, Highway Bridge, Equal Business Access, Contractor Relations, Ethics, Rules and Tax & Fiscal Affairs committees. As AGC's senior vice president, he is an ex-officio member of all AGC committees.

DOUGLAS E. BARNHART
V.P., AGC of America—2006
CEO & Chairman, Douglas E.
Barnhart Inc., San Diego, Calif.

Douglas E. Barnhart Inc. is a full-service general building, engineering and construction management firm. Founded in 1983, the corporation has successfully built and managed hundreds of projects throughout the Southwest. Douglas Barnhart has served as the chairman of the Federal & Heavy Division and on numerous AGC committees, including the Corps of Engineers, Environmental, Human Resources Labor, Legislative and the Open Shop committees. As AGC's vice president, he is an ex-officio member of all AGC committees.

GERALD V. ANDERSON
Treasurer, AGC of America—2006
CEO, Anderson Construction Co.,
Fort Gaines, Ga.

Anderson Construction Co. is a diversified general contractor working in southwest Georgia, southeast Alabama and northwest Florida. Jerry Anderson and his father, G. Von Anderson, founded Anderson Construction Co. of Fort Gaines, Ga. in 1964 and joined AGC shortly thereafter. Typical projects include banks, schools, hospitals, office buildings and maintenance contracts. Jerry has served as chairman of the Building Division and chaired the Safety and Health and Governmental Affairs committees. He has been an active member of other committees, including the Risk Management, Industry Liaison, Project Delivery, AIA-AGC Joint and Contractor Relations committees. As AGC's treasurer, he is an ex-officio member of all AGC committees.
